**WELCOME TO KELOWNA!**

We're looking forward to hosting you in our beautiful city of Kelowna, British Columbia for the 2012 Canadian Masters Swimming Championships during the long-weekend of May 18 to 21! Known for its scenic environment of lakes and mountains, sunshine and fruit, wine, golf and ski hills, the Okanagan is gaining increasing prominence for its speedy swimmers and its fantastic facilities at the H2O Adventure & FitnessCentre!

This is our first News Update for CMSC2012. We've sent it to the registered contact address at every Masters Swim Club in Canada. Please forward this e-mail **to all of your club members** and any others who might be interested in joining us for Nationals.

The organizing committee comprises members from three local swim clubs: Okanagan Masters Swim Club ([OMSC](#)), Wine Country Masters and Westside Thunder Masters. Our goal is to make sure you have the experience of a lifetime!

The 2012 Nationals website has been live for several weeks, and will be updated as we go.

Visit [CMSC2012](#) to download the **meet package**, find information on **accommodation** and other exciting things to do in Kelowna! As soon as we have the registration pages ready to launch, we'll let you know. Since the meet is held over the May long-weekend, we recommend you secure your accommodation as soon as possible.

Looking forward to seeing you in Kelowna!!  
Laura Garrett, CMSC2012 Meet Manager

## MEET PACKAGE AND REGISTRATION

### Ensuring a quality meet

The meet package is available online at [CMSC2012 Meet package](#).

CMSC 2012 will be short-course meet with an 8-lane warm-up / cool-down tank available at all times during the meet.

Please note we've had to limit the number of registrations to 500 to accommodate the event schedule and age groupings within each day. Our goal is to run a high quality event to a schedule that doesn't involve late evening swims. Please alert your swimmers and coaches - individuals and teams should be registered early to avoid disappointment.

We're working together with MSC to get the online registration implemented. Watch for our next "CMSC2012 Update", for news of the registration opening date.
