Christmas is a special time for many of us. Whatever your traditions hold, it's important that we remember those less fortunate. There have been many reports in recent weeks that donations have decreased in Calgary this year. It would be wonderful if you and your families can contribute. In case you need help or guidance with avenues to help there are many charitable organizations looking for assistance.

Including:

Calgary Interfaith Food bank (www.calgaryfoodbank.com)

The Salvation Army (<http://ab.salvationarmy.ca/christmas.htm>)

On behalf of the Executive we hope you enjoy a wonderful Holiday Season!
